Code § 48002)

### **Intradistrict Transfers:**

Intradistrict Transfer requests are for students transferring between **BUCKEYE UNION SCHOOLS** (attending a different Buckeye Union school than your designated Buckeye Union homeschool). Forms will be accepted between **January 16, 2024, and February 28, 2024**, for consideration for the 2024/2025 school year. If your student is already attending a school on an Intradistrict Transfer, a move from the student's assigned school to another school within our district, and they wish to remain at that school, they do not need to renew their Intradistrict agreement, and we will assume the student will be returning to the same school for the next school year. Intradistrict forms are available on the Buckeye Union School District website by clicking on "Parent Resources" and then "District/School Transfers".

### **Interdistrict Transfers:**

Interdistrict Transfer requests are for students transferring between **DISTRICTS** (attending a different school district than your designated home district). Any student attending Buckeye Union School District on a currently approved Interdistrict Transfer Agreement will automatically be registered for the next school year, *unless* 1) the student has a change in school (including elementary to middle school) or 2) the school site is notified of the student's withdrawal. New Interdistrict Transfer request forms will be accepted between **February 5, 2024, and March 31, 2024**, for consideration for the 2024/2025 school year. **New Interdistrict Transfer requests will not be reviewed until May 13, 2024.** Interdistrict forms are available on the Buckeye Union School District website by clicking on "Parent Resources" and then "District/School Transfers".
