

NOVEMBER NURSE'S NOTES!

RECAP!! By special request from some of our BUSD families: Do you know... about **Type 1 Diabetes (T1D)?**

During the winter months, BUSD typically has had one or more students diagnosed with Type 1 Diabetes. The T1D symptoms can often be mistaken for common illnesses such as flu or a cold. Misdiagnosis can have tragic consequences, so learning the warning signs can save a life. Early diagnosis is critical to treatment. **PLEASE, get to know the warning signs for T1D in children and young adults... Knowing these signs (which may occur suddenly) can save a life:**

Extreme thirst	Frequent urination	Increased appetite
Sudden weight loss	Sudden vision changes	Drowsiness, lethargy
Heavy, labored breathing	Fruity or sweet breath odor	Nighttime bedwetting
Altered or loss of consciousness	EXTREME FATIGUE	Hunger with weight loss

If your child or someone else you know begins to experience these symptoms, contact your pediatrician immediately. **Please share what you've learned with others you know.** More information, myths, and support for T1D can be found here: <https://www.jdrf.ca/t1d-basics/signs-symptoms/>

For 6th Grade students, will you be ready for 7th Grade?

IMMUNIZATION UPDATE!!! 7th Grade is set as a **gateway** for having immunizations up to date. Any exemption (medical/PBE) that is **not** through the state system (**CAIR-ME**) **expires at 7th Grade entry**. There is a requirement for Tdap booster for 7th Grade and a 2nd immunization for Varicella which is often missed. **Your child may not receive their schedule or start school in 7th Grade without being up to date...** **6th Grade Families** - Call your child's health office today to make sure they are ready to attend and we have updated records for 7th Grade!!! Here are the immunizations that are required:

<https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/Immunization/IMM-231.pdf>

Also – it may not be too late to get your flu shot!! Here is the clinic information from the county health department:

For additional information on our 2023 Community Flu Clinics, please visit our website - https://www.edcgov.us/government/publichealth/immunizations/pages/flu_clinics.aspx.

Does your child have a medical concern that may require a health plan? Check in with the health team:

Tristan Kleinknight, MSN RN PHN: School Nurse for:
