

## AFTERNOON PICK-UP

- Please **SLOW DOWN** while in the parking lot!
- If you are picking up a child in grades K-2, pick up is along the kindergarten curb.
- If you are picking up a child in grades 3-5, pick up is along the bus turn around curb.
- If you have children in both age groups, have all of your children proceed to the 3-5 pickup area. There is normally less traffic in that area.
- **DO NOT leave your vehicle unattended along ANY curb.**
- Please pull your vehicle up behind other vehicles, do not leave large gaps between vehicles.
- In the bus turn-around area, all cars must remain behind the "Bus Line", as marked on the map, until the bell has rung. Once school is out, you may pull around the curb area anywhere **BEHIND** the bus. Please pull as close to the curb as possible.
- PLS will assist your child into your vehicle. Children will only be allowed to enter vehicles from the curbside. DO NOT call them across the parking lot to your vehicle.
- Check to see that your child and the PLS have stepped away from your car before pulling away from the curb.
- No cars will be loaded in front of the bus.
- **Please note that drivers are asked to refrain from using cell phones while dropping off or picking up children.**
- Note that it is **RIGHT TURN ONLY** when exiting the lot.
