- Binder - No need with our color coded folder system!
- Spiral bound notebooks - I will be providing composition books for writing practice and students will use binder paper for assignments.
- Markers - Other than the specific Sharpies listed above, please no markers.
- Mechanical pencils - Many students are easily distracted with mechanical pencils - taking them apart, putting them back together, inserting lead, taking lead out, rolling lead all over desks, books, themselves, etc. I prefer students to use a traditional wooden pencil. As I mentioned above, the Ticonderoga brand is the best - pencils are one of those things that you get what you pay for.
