

# BUCKEYE UNION SCHOOL DISTRICT

Buckeye Union Families:

The Buckeye Union School District Nutrition Services Department will provide an opportunity for families to pick up meals for any child 18 and younger at three sites during our school closures. To ensure the nutritional well-being of our students while at home or under other care, our district will be distributing FREE breakfast and lunch bagged meals everyday, Monday-Friday during the school closure, starting Tuesday, March 17, for any child 18 years of age or younger to take home. No paperwork is required. This will be a drive up service where we will hand you the meals for each child that is in your vehicle and any child who is sick at home.

Please do not get out of your vehicles as we want to ensure the safety of you and our staff.

This is a pick up service only, no meals will be consumed on site. Walk-up students will be given meals but cannot eat them on-campus and must leave school grounds after receiving meals. We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site and utilizing social distancing once meals have been distributed.

For families who do not have transportation available, our district has made arrangements to provide some limited delivery routes. If you are in need of this service, please contact Imelda Schwab at [lschwab@buckeyeusd.org](mailto:lschwab@buckeyeusd.org). Please provide us with your contact information including student's names, address and a contact phone number so we can make arrangements.
