

Welcome to 4th Grade Parents and Students!

With the new school year starting, there are often school supplies on sale and we find that parents are interested in what they might help provide for their child's upcoming return to school. I have purchased many items for your student to use this year. This includes composition books, expo marker, one folder, highlighter, couple pencils, crayons, colored pencils, scissors, lined paper, pencil pouch and glue sticks. I would appreciate your contribution of \$20 of which would go directly into room 14's "4th grade class fund", and will be used to offset the cost of the supplies already purchased, backfill replacement supplies throughout the year, and purchase a *homework planner \$5, and subscription to Scholastic News \$7* for your child. I appreciate any donations to our classroom!

Below is a list of additional items for your child to bring with them the first few days of school. Please be sure to label all personal belongings with your child's name.
