

TK Supply List

2023-24

Dear Families,

We will be providing students with most of the materials they will need as many need to be a particular brand or size (i.e. paper, crayons, journals, paints, pencil boxes, scissors, most art supplies, etc.). If you would like to contribute \$ towards these supplies, you can send in a \$15 donation.

There are a few items that we go through very quickly that we would love your assistance with. If you would like to contribute, please have your child bring in the following list of items during the first week or two of school. These are classroom or shared supplies, so please DO NOT label each item with your child's name.

- Eight or more small glue sticks - Elmer's brand preferred.
- One container of disinfecting wipes (i.e. Clorox or Lysol). We use them to wipe down the tables at twice daily.
- One box of facial tissue
- One bottle of hand sanitizer 8 oz size. Hand sanitizer is given prior to snack, after recess, and prior to activity time. Hand washing is always available.
- One package of colorful "Fine tipped" Expo dry erase markers.
- One box of washable markers (any color combination is fine).
- One package of paper plates 100 count or smaller (These are the cheap thin paper ones that fold easily, not Styrofoam or heavy duty - we use for snacks and art supplies).

**If you are interested in donating other items, we will have a "Wish List" up at the Meet-and-Greet and at Back-to-School Night. These will be items we only need one or two of.

Thank you for your help and for contributing to our classroom program. We look forward to the year ahead!

Sincerely, TK Team

*Please note: California law states that school districts must furnish the necessary supplies needed for classroom use. The items on this supply list are recommended/optional supplies. We are asking for voluntary contributions of these items from our Blue Oak families. Providing these items is voluntary. If, for any reason, parents choose not to send supplies, the necessary items will be provided for all students.

What will my child need to bring to School Daily?

1. A backpack - big enough to hold the underlined items below, not a preschool sized backpack. **(do not attach charms or toys to the backpack)**
2. A spare change of clothes (shirt, pants/shorts, underwear, socks). These are used for accidents and occasionally for messy play. Place them in a gallon Ziplock bag and keep it in the backpack. We will not store clothes at school, we just need them available.
3. A water bottle (please only send water in it)
4. A healthy snack in a bag or lunch box - "growing food" only **(no cookies, or treats)** 100% juice is okay, but no sugary fruit drinks or soda; preferably they will just drink the water from their water bottles.
5. **Students attending Extended Day** (before/after school care) will also need a lunch. This lunch will need to be separate from their snack, so they do not accidentally eat their entire lunch at snack time and have nothing left for lunch. AM TK students will eat snack during the school day and lunch at Extended Day, after school is over. PM TK students will eat snack at Extended Day and lunch during the school day.
6. On Fridays, the backpack is also used to transport a "Friday Folder" which contains the week's work and projects, as well as any teacher or school communications.
7. **No Toys!** Please look through your child's backpack daily. Toys have a way of sneaking into backpacks! We will talk at BTSN about when it is appropriate to send toys and other special items to class. Be careful with jewelry, it often becomes a toy in class or can get lost easily.
8. **CLOTHING:** We are very active and often do messy things. Please dress your child with this in mind. Students must wear shorts or pants under skirts and dresses (picture your little one hanging upside-down on the monkey bars). Please send your child in shoes good for running, climbing, riding tricycles and scooters, etc. We recommend closed-toed shoes. If your child does wear sandals, they must have a heel strap.
