

The Bulldog Dish

March 2021

BLUE OAK

PRINCIPAL'S MESSAGE

Here we are, officially into the last trimester of the 2020/2021 school year. This school year has been like no other when we think of all that has happened since August. Our Lil Bulldogs are growing by leaps and bounds, even in this hybrid schedule. We know that is because of the great partnership that we have between school and home.

Report cards will be sent home on Friday, March 5th. Teachers have been administering assessments over the past few weeks in order to report on your child's growth and areas of need. If you have any questions about your child's report card or academic progress, please contact his/her teacher.

A key to success in 3rd trimester will be to maintain structures and routines for your child's at home learning time. We know that our students are beginning to feel the strain with so much independent learning time. Having set times and a set workspace to complete assignments is a good first step.

Let's READ!!!

How would you like to check something out from our school library? It's so easy & the books get delivered right to your classroom! Simply fill out a library request form letting the librarian know what books you would like to check out and make sure to hit submit when you're done. The link to the form can be found on our new library web page, or on your teacher's site. On the new [library web page](#) you can also find the search tool to see what books are available in our library collection, and even a video to show you how to search if you've never done it before. I'm looking forward to seeing which books you pick!

Ins and Outs of the Parking Lot

In an effort to ensure that everyone is aware of the ins and outs of the parking lot, let's review!

All traffic flows one way through the parking lot. Entrance into the lot occurs across from the church, by the marquee. There are two lanes of traffic. Students should exit the vehicle only when the car is pulled **as far forward as possible** and directly next to the curb.

No vehicles should be left unattended in the drop off/pick up lane to ensure that the flow of traffic is moving.

All vehicles exit at the stop sign, making **ONLY** a right hand turn.

These rules are in place to ensure the safety of our Lil' Bulldogs as they get from their car to the classroom and vice versa.

Thank you for helping to keep our parking lot safe and friendly!

Schedule Update

As many of you know, the district received clarification on the mandates set by the state on January 14th, which now enables us to move forward with a full reopening on March 15th. A bell schedule is being sent out via email to parents and will also be on the Blue Oak website.

All schedules will remain the same UNTIL Monday, March 15th. On that date, all students in first through fifth grade will attend a full day of school. TK and Kinder students will transition with their teacher to the am or pm model.
