Dear Buckeye Families and Community Members,

On behalf of all the members of the Buckeye Elementary staff, I would like to welcome you to the 2022-23 school year. My name is Kevin Cadden and I am proudly serving as the principal of Buckeye for my fifth year. When I am not at school, I love spending time with my wife Heather and my three children that range in age from 20 years old to 8 years old.

When you step foot on our campus you'll quickly learn what makes Buckeye such a special place. We are a small country school, with a big heart where staff are committed to providing the very best experience for all students. We are a Gold Medal PBIS school that works with students on learning what it means to Problem Solve, Always Care, Work Hard, and show Respect across all settings of school, home, and in our community. In addition to working hard, we look for ways to have fun with kids every day.

One of the things that I love most about Buckeye is our sense of community. We are a school family and I love that our family's partner with us to support student learning, growth, and enrichment. Like our school motto says: *Together we make a difference.*

If you would like learn more about Buckeye Elementary, please reach out to me directly at: kcadden@buckeyeusd.org

Take care,

Mr. Cadden
