Dear Silva Valley Parents/Guardians,

The first day of in-person learning went very smoothly. Hopefully, there weren't too many changes to our usual procedures.

If your student is displaying general symptoms of COVID-19 please keep your student home and call to report the absence to the office. If your student has been exposed to a COVID-19 positive person please make contact with the school office or send an email to me as soon as possible. There are important steps we will need to take after consultation with our school nurse.

Per our reopening plan which is located on our website:

- Classroom parties will not be allowed due to limitations of sharing of items.
- Be sure your student has a water bottle for school. The office will have extra water bottles if your student forgets their bottle.

For Halloween this school year, we will allow students to dress up on Friday October 30, but we will not be holding our traditional parade nor will we be able to host classroom parties.

The end of trimester one will be on Friday November 6th. Parent teacher conferences will be scheduled for November 18th - 20th.

Let's continue to wear those face coverings, socially distance, and stay safe so we can keep the learning moving forward.

Have a great October!
