Dear Kindergarten Parent(s),

The practice of the Buckeye Union School District Transportation Department is to deliver kindergarten students to their regular designated bus stop. We require a parent, guardian or other authorized adult to meet the bus. If no authorized adult meets his/her child at the bus stop, the student will be returned to his/her respective school.

If you feel your child has reached the maturity level to walk alone from his/her bus stop we will need your written consent for this decision on file in our office. Please complete this form and return it to the bus driver. Until we receive written consent of your choice, we will continue our policy in this matter: "If no authorized adult meets his/her child at the bus stop, the student will be returned to his/her respective school."

We the parents/guardians of the above named student hereby authorize the Buckeye Union School District Transportation Department to allow our kindergarten child to walk unaccompanied from his/her bus stop when being returned from school. We understand this relieves the bus driver/district of any responsibility for our child, once he/she is not in the driver's sight. (Buckeye USD Procedure.)
