Meet the Masters

Meet the Masters

Thank you to everyone who made our Art Showcase a success!

We had a fantastic turnout and it was pure joy to see the faces of all of the young children as they viewed their own art on display along with those of the rest of the school. I could hear the excitement as they looked over projects from other classes, picking out which projects they'd like to do next year.

For those families that were able to come see our Art Showcase, thank you for your support! With your generous donations at the beginning of the school year and during the Art Showcase, we've raised about **\$2,007** in total for next year's program! However, our goal for fundraising is **\$6,000** in order to purchase supplies for next year's projects and replace some supplies that were lost when our shed flooded this winter or have been well-used and are coming to the end of their useful lifespan. If you are interested in supporting the Meet the Masters Program, you can still donate! Our QR code is to the left and any cash donations can be turned in to the Front Office.

Thank you for your support!

What's cooking next year?

We are pleased to announce we are moving towards more homemade items next school year. New breakfast items include Peaches and Cream Overnight Oats, Very Berry Pan Bread and Scrambles Eggs with Bacon. For lunch we'll be introducing a Burrito Bowl, cooking fresh Grilled Cheese Sandwiches, and making our own fried rice just to name a few items. We are also looking to bring in more fresh produce from local farms. We're excited and hope your students will be too!
